HOW TO ORDER

victoria@chirpi.co.uk : www.chirpi.co.uk

Ordering couldn't be simpler — just follow these steps:

1. Choose one of my designs or commission a bespoke design.
2. Decide on what you would like to order and how many, remembering that you don't have to order one invitation per guest as many will be coming to your big day as couples and families!
3. Contact me with your requirements.
4. I will send you an order form and an invoice for a 50% deposit. This will be required to secure your booking.
5. We will organise a date for your stationery to be with you.
6. I will get to work and you will receive a digital proof to be signed off.
7. Your stationery will be printed and delivered to your door!

Samples

I recommend that you order a sample of the stationery you are interested in, so that you can feel and see the quality of the finished printed product. Samples cost £2.00 + p&p, and you will receive an invitation and an envelope and are available from the shop online through the website. Samples are not personalised but the cost is redeemable against an order placed.
